MESSAGE FROM PAUL SHEAHAN

"Victoria is the State that hosted the first International Test Match; it also hosted the first ever Limited Over Contest in 1970 between England and Australia when the Test Match was washed out."

"What better place to conduct the National Over 60's competition in 2014?"

Three highly competent and well credentialed cricket bodies - Victoria Over 60's Cricket Association, Dandenong and Casey-South Melbourne Cricket Clubs with the City of Greater Dandenong and Casey Councils have joined forces with VOSCA and they have come up with an exceptional program. The governing National Body could feel utterly confident that the competition would run as expertly and smoothly as the London Olympics!

As Patron of the Victoria Over 60's Cricket Association, I know that you would feel immensely proud of the end product.

Paul Sheahan
Former Australian Test Cricketer,
President Melbourne Cricket Club.
