

**Joint Luncheon with the British Residents' Association of Switzerland
The Royal British Legion and The Royal Air Forces Association**

**Saturday, 25 October, Aperitifs 11.45, Lunch 12.30
Kongresshaus (Concert Hall), Vortragssaal, Gotthardstrasse 5, Zürich**

We pay tribute to the work of the Royal British Legion and the armed forces throughout the world and the difficult tasks they face, that we may live in peace and security. There will be Display Tables showing the work and mission of the Royal British Legion and the Royal Air Forces Associations. Both organisations are much involved in helping those who suffer as a result of combat and are in need of help. Many are left in financial straits, unable to find employment as a result of their wounds, facing marital breakdown, and require counselling. The work of the RBL and the RAFA fill a vital role, and can make all the difference to broken lives.

We are delighted to welcome, as our Guest Speaker,
Brigadier Daniel Laetsch, Head of the General Staff College of the Swiss Army,
and a leading Strategist of the Swiss Ministry of Defence. Brigadier Laetsch is a graduate in general and military history. The subject of his illustrated talk will be:

1914 – 2014: putting the First World War into the context of the present day
