

**HAPPY BIRTHDAY, QUEEN ELIZABETH !**

You are cordially invited to join us in celebrating Her Majesty Queen Elizabeth’s official birthday, on

**Thursday, June 18, 2015, 6 pm to 8 pm  
Restaurant Belvoir Park, Seestrasse 125, Zurich**

It is a tradition of the British Residents’ Association of Switzerland to honour Her Majesty by celebrating her official birthday in the different regions during the month of June. This is a happy occasion which brings together not just our Members, but others from different Associations in the Region as well as the City of Zurich Council and the Zurich Intergration Office . We link up with the British Swiss Chamber of Commerce and the Royal Over-Seas League and in the past have welcomed members of the Zurich Consular Corps.

We have invited a representative of the British Embassy in Berne to be with us and to give Her Majesty’s Loyal Toast.

The Restaurant Belvoir Park is over one hundred years old and is one of Zurich’s elegant and historical villas. It is set in beautiful gardens and weather permitting we will gather there, or under the Terrace awning. You will be greeted by a bagpipe player in full regalia. The Belvoir Park is also used as a hotel school for training international hospitality staff and you might like to finish off the evening by staying on for dinner.

The Belvoir Park is about 8-10 minutes walking distance from the Enge railway station, or take Tram 7 to the Museum Rietberg or Brunaustrasse stops. The Belvoir offers some disabled parking only, so allow time to find a spot in one of the nearby streets.

A charge of CHF 40.- for non members, CHF 30.- for members, payable at the door covers drinks and a variety of delicious snacks specially created for us by the Hotel Senior Management Class.. We would be grateful if you could return the registration form below as soon as possible or latest by June 10. The Zurich, Zug and Lucerne Regions of the British Residents’ Association look forward to welcoming you to this happy event.
