

## David Barmes Memorial Trophy Match

It gives me great pleasure to welcome you to the 2017 David Barmes Memorial Trophy Match (DBMT) between last season's Cricket Switzerland's Premier League champions, Zurich Nomads Cricket Club, and a representative Swiss XI.

Traditionally this match marks the beginning of the Swiss cricket season, in memory of the late Dr. David Barmes of Geneva C.C., the first President of the National Association.

We thank Zurich Nomads Cricket Club (ZNCC) for kindly hosting the match this year, for the ground arrangements & for providing drinks & snacks.

**Alexander Mackay (President, Cricket Switzerland)**

### A tribute to Dr. David Barmes

Dr. David Barmes, died unexpectedly in Australia on the evening of Friday 12th January 2001. David was on holiday with his family at their summer beach house 250 km south from Sydney when he was reported to have died peacefully in his sleep. He was aged 69.

David Barmes had been Geneva CC's President for the most part of 30 years and served two terms as President. David was a man of exceptional qualities. Best known to many were his skills in chairing meetings. To others he became a good friend and confidant. A born raconteur, many will remember the time spent in his company, listening to his unsurpassed rendering of Australian, and so many other ballads. There was no-one in the world who would describe him as their enemy. Formal announcements were made in Le Temps and La Tribune de Genève on Wednesday 17th January 2001. David's funeral took place on Tuesday 23rd January 2001 in Brisbane. At the AGM on Saturday 20th January the meeting began with a one minute silence in memory of David.
