

GREENHOUSE GRAPHICS IS  
PROUD TO BE A SPONSOR OF  
GENEVA REGION YOUTH  
CRICKET CLUB

## What is GRYCC?

Geneva Region Youth Cricket Club (GRYCC), which is organising the Sportsman's Dinner, is a club for young players aged from 5 to 19.

Since 2004, we have grown from a small collection of die-hards to a fully-functioning club with sides from U11s to U19s levels.

You can join as a beginner - and the younger the better - or come to us with ready-made experience. Either way, our aim is to help you to become as good

a cricketer as you can be; and to enjoy the camaraderie of playing alongside other true enthusiasts.

We are also a family-club; so dads, mums, brothers and sisters are all welcome to come along and meet up.

If you want to become a great cricketer, then we want to help you achieve this.

And if you want to enjoy this great game, then we are more than happy to share the pleasure with you.

The Swiss U17s team has achieved the coup of being invited to compete at the 2010 European Under 17s Championships, which will take place on the Isle of Man between 24 and 29 July.

This is recognition of the great advances the squad has made since 2004. The team came 8th out of ten nations in 2008, when it was also honoured with the tournament award for Fair Play. Today, with an older and more experienced squad, hopes are high for an even better performance.

In order to fund the squad's involvement in this week-long challenge, Geneva Region Youth Cricket Club (GRYCC) is hosting a Sportsman's Fundraising Dinner.

Be part of the team's exciting progress and allow the squad to represent Switzerland at the Championship!

## Be part of the team's success!

### How?

- Be a sponsor of part of the cost of the event: CHF 1'000/ 2'000/ 3'000/ 5'000.
