Berne, Tuesday 24th April 2012 (last revised 6th March 2014)

DATA PROTECTION GUIDELINES

Cricket Switzerland is the trustee for a variety of information on individuals and clubs (for instance club contact information, national players, officials and coaching registers, etc.) and these guidelines are designed to govern how this data should be treated, along with some basic common sense:

1. Private information, the such that is held on a membership list, is always treated private & confidential
2. This data is solely for the purpose of maintaining contact with our members and informing them of the activities of the association and opportunities in conjunction with cricket
3. Private information (such as postal and email addresses) will not be passed to 3rd parties without the explicit written consent of the individual, unless required to by law
4. With the exception of some basic contact information (such as name & a contact email address) data held on a membership lists or a registry will not be made publicly available on the internet
5. The website includes a copyright declaration at the foot across all web pages and data, information and photos can only be reproduced by express permission of the Executive Committee
6. Private individual data on mobile medium (such as memory sticks or CDs) should be password protected
7. The accuracy of private information is the responsibility of the individual (i.e. if someone moves house/changes email, they have to inform Cricket Switzerland)
