The youngsters from Zurich Crickets CC have are now ready for the big stage. As the tournament progressed their game has gone from strength to strength and are now ready to fight for the title against the opponent whom they have already defeated in the league phase.

With an all-round unit where almost all the players are able to bat and bowl and well led by captain Nicolas Henderson, Zurich Crickets are a serious contender for the title. Can they overcome the big match nerves and take home the title?

Nomads CC qualified for the CSPL final as one of the pre-tournament favourites. Although they missed out last year, Nomads have a long pedigree of winning this competition multiple times. As the team with the experience of big matches, they will be fully prepared for this year's final. Nomads, however, face the team they lost to in the league phase but will be looking forward to make amends for that loss and look to continue the good form they have shown in the qualification & knock-out phase.
